Dear Friends,

In addition to the membership drive we are having a fund raising campaign for the restoration of the Lobdell-Emery Office Building. We hope to secure some grants that are available, but we need matching funds. The museum hopes to be in the building within the next two years.

We have a very good board that has been working on this for the past couple of months. We are filing the paperwork to have the building placed on the National Registry and State Historical Site.

Donations of \$100.00 or more will have their name placed on a plaque in the building. Donations may be made "in memory or in honor" of someone.

We hope you will open your hearts to this wonderful project, and make it possible for this unique building to be restored to its original charm.

Sincerely,

Onaway Area Historical Museum Board
